

ProStock[™] **SMALL FOOTPRINT, HIGH CAPACITY STORAGE**

With the high-security dispensing of the ProStock[™], you can manage the distribution of hundreds of items at the point of use, all within a very small footprint. Carousel dispensing provides the flexibility to issue one or multiple items while eliminating the unproductive time of walking to and from a tool crib. The pie-shaped sections of the carousel allow for easy configuration of multiple-sized items such as safety supplies, cutting tools, gauges, and batteries. Paired with CribMaster software, the ProStock reduces stock outs, lowers costs, and controls inventory consumption. This system includes all of the robust features of CribMaster and the ability to share detailed information with your workforce automatically.

- Manage tools due for service
- High security for controlled consumption
- Simple carousel reconfiguration for flexible storage
- Dispense single items or kitted items
- Optional lockers for large item storage

ProStock™

ISSUE PROCESS

As in all CribMaster storage devices, the ProStock™ is simple to use.

1. Authenticate: The user self-authenticates with an employee badge or other optional login methods and enters user-defined cost centers if required.
2. Select: Through the touchscreen interface, the user selects the item(s) from the item image screen or item description displayed.
3. Issue: The user selects the issue function and removes the dispensed item(s) from the opened carousel section.
4. Record: The software records the transaction and the database is updated.

SOFTWARE FUNCTIONS

CribMaster Software

- Item/group level access
- ERP integration
- User-defined cost centers
- Track real-time data
- Issue by kits

Point-of-Use Interface (ATR)

- User specific multi-language support
- Favorite items list by employees
- Vend by item images

SUGGESTED PRODUCT TYPES

The ProStock™ is tailored to dispense MRO, PPE, durables, and cutting tools, such as:

- Gloves
- Inserts, taps, and dies
- Batteries
- Safety glasses
- Aerosols
- Power tools
- Hand tools
