**SAINT JOHN, NB (March 9, 2017)** – Source Atlantic Limited is honoured to have been recognized with the prestigious Canada's Best Managed Companies designation. The 2017 Best Managed program recognizes the best-in-class of Canadian-owned and managed companies with revenues over \$15 million demonstrating strategy, capability and commitment to achieve sustainable growth.

Originally known as W.H. Thorne General Hardware Merchants, Source Atlantic has evolved to become one of the region's leading supply chain management businesses, supplying a wide variety of goods, technical services, business solutions and learning management solutions to customers throughout the Atlantic region and across the country.

"Best Managed companies deserve recognition for their entrepreneurial approach to excelling in an uncertain climate. They truly bring out the best in Canadian business leadership," said Peter Brown, Partner, Deloitte and Co-Leader, Canada's Best Managed Companies program.

For the past several years, Source Atlantic has been laser-focused on following its strategic plan – focusing on supporting and investing in its employees, evolving its product offering to best meet the needs of its customers, and providing exceptional service.

"We've put in place an amazing team with a great vision for the company. Together with more than 420 employees in all our offices we're bringing that vision to life and it's paying off."

2017 winners of the Canada's Best Managed Companies award will be honoured at the annual Canada's Best Managed Companies gala in Toronto on April 19, 2017. On the same date, the Best Managed symposium will address leading-edge business issues that are key to the success of today's business leaders.

The Best Managed program is sponsored by Deloitte, CIBC, *Canadian Business*, Smith School of Business and MacKay CEO Forums.
