A Source Atlantic Supply Chain Management Solution

It's Easy to Use

Contact Your Local Representative

Call or visit Source Atlantic to place your order. All we need is your *Source Card* number and your GL or work order number.

Your Order Can be Delivered

Source Atlantic can ship your order to the receiving area of your business; clearly labeling who the order is for. Please ask about our delivery rates.

Monthly Usage Summaries Are Distributed

Source Atlantic will issue one monthly usage summary to a designated Accounts Payable Representative and/or manager.

Your **SOURCE CARD** helping you track and control!

Get What You Need—Fast!

The *Source Card* offers you a faster alternative for purchasing goods and services. With pre-approved transaction and credit levels, simply place your order.

You Maintain Control

The *Source Card* is a great control tool to understand project costs. Multiple buyers making frequent transactions can apply a job reference number at point of purchase. Each month your company will receive a statement, showing by cardholder, their transactions and respective job reference numbers.

Substantial Procurement Savings

Low-dollar transactions are expensive because of the amount of processing involved. Using your *Source Card* can help reduce administrative costs by as much as 75%.

No Fees

The *Source Card* has no monthly or yearly fee—it's absolutely free!

Available Where You Need Us

Your *Source Card* is accepted at all Source Atlantic locations. Use your card to purchase products and services from any of our many divisions!

Sales and Service on Your Schedule

Source Atlantic provides 24/7 after hour service for your emergency breakdowns. Your *Source Card* can be used to maintain procurement controls when traditional purchase order processes are difficult to follow.
